# \*\*\*\*NEW ART MENU\*\*\*\*

Join us at the Boat House Restaurant on the River in the heart of Salisbury. Our great food is now joined by colourful surroundings!

An exhibition by Liz Lore,  
an Edwin Young award winner and an American and British artist  
studying Fine Art at Arts University at Bournemouth.

She will be exhibiting from SAT 5 OCT to SUN 13 OCT inclusive.  
Liz's work will be on display in our conservatory and entry is free.

## Starters \* Art Photography

### *Photographie a l'art fine*

Black and white and full colour prints of landscapes will be on display.

## Main Courses \* Paintings

### *Les peintures acryliques – un melange fou de couleur et un soupcon de n'importe quoi*

Recent paintings on paper and canvas, in a range of frame sizes. Acrylic and in some cases newspaper and fabric create colourful and evocative still lifes and landscapes. Often a point of focus gives way to fragmentation and dissolution.

Liz's style continues to evolve, with influences from impressionism, fauvism to abstract. Paintings are all original works, signed and priced individually.

## Perfect Puddings \* Cards and Prints

### *Les desserts exquises! Un sac de chien pour les appetits petits*

A small selection of greeting cards from £2.50 including Salisbury cathedral at night. Limited prints signed by the artist, professionally matted and ready to frame – priced from £ 35.00 will be available when the artist is there (typically 11 to 2 pm each day during exhibition).
